Great Northern Insulation announced as 2019 HomeStars Best of Award Winner

Toronto, ON, March 14, 2019 – Great Northern Insulation (“GNI”), one of Ontario’s highest-rated insulation companies, announced today that they have been selected as a 2019 “Best of Award” Winner by HomeStars. Considered HomeStars’ highest honour, the Best of Awards recognizes the most *trusted home service professionals* in its network of over 60,000 pros. The award is presented by DEWALT, Canadian Contractor, and RenoRun.

This marks the third year in a row that GNI has won the award, and the eighth time overall. GNI also won the ‘Giving Back Award’ from HomeStars in 2018. The ‘Giving Back Award’ recognizes companies that went above and beyond when fundraising and volunteering in the communities they serve.

“Winning a Best of Award is no easy feat and the companies honoured have really gone above and beyond, not just with the quality of their work, but their customer service,” says Nancy Peterson, CEO of HomeStars. “Great Northern Insulation is a consistent winner, proving their commitment to quality service.”

“It is honestly a great feeling to win the Best of Award again this year,” said Matthew Mulligan, VP of GNI. “We have more than 600 reviews on HomeStars, and see it as proof to homeowners that we are dedicated to upholding our customer promise. It is also something tangible that our employees can turn to and see the changes that we, as a company, are making in the lives of our customers. It’s win-win.”

As a symbol of their commitment to quality, a “HomeStars Best of 2019” badge is now located on [GNI’s HomeStars profile](#), indicating that the company is a top choice for home renovation projects.
