Great Northern Insulation Introduces Sloan Insulations as Newest Member of the Family and Increases Presence in Sarnia-Lambton

SARNIA, ON, December 21, 2018 – Great Northern Insulation (“GNI”) today announced that the company will be expanding its presence in Sarnia-Lambton with the addition of Sloan Insulations. This announcement follows GNI’s recent Ottawa expansion in October through the company’s amalgamation with Insultech Insulation Specialists.

Sloan Insulations and GNI have had a long-standing relationship in the marketplace for more than 15 years. Current employees of Sloan Insulations will join the ranks of GNI, with more jobs expected to be created.

“We are already amazed with the dedication to detail and customer experience that the employees of Sloan Insulations provide,” said Matthew Mulligan, VP of GNI. “That is why we are absolutely thrilled to welcome all of them into our growing family of skilled building envelope professionals.”

“We have been operating in tandem with Great Northern Insulation in the Sarnia area for more than 15 years now,” said Kelly Sloan, President of Sloan Insulations. “I know that our insulation professionals will continue to put the same, or higher, level of skill and pride in their work as they have since 1978.”

As part of the company’s continued expansion, GNI is looking to fill roles for insulation installers, sales consultants, and administration staff across all of its branches in Ontario. These locations include: Ottawa, Sarnia, Comber, Barrie, Milton, Port Perry, Gravenhurst and Woodstock.

About Great Northern Insulation

Great Northern Insulation is a leading construction company in Canada that services residential, commercial and agricultural buildings. Starting with insulation in 1980, GNI now offers complete building envelope solutions, including firestopping, fireproofing, paneling and cladding, RETscreen and energy reports, and Magnetite window systems. GNI employs more than 345 people across eight branches in Ontario. In 2016, GNI became a part of the Mill Street & Co. group of companies.
